

Align Building Control Ltd

Building Control Surveyor

We are seeking self-motivated and ambitious individuals to join our established team of Building Control Surveyors in the North West Region.

Align Building Control Ltd are Corporate Approved Inspectors providing Building Control services to our ever-expanding client base, throughout all regions of England and Wales. The successful candidates will join a forward thinking company that provides an enjoyable working environment.

The successful candidates should be organised and enthusiastic, and be able to demonstrate excellent communication skills. We are looking for individuals who can offer a high level of technical expertise to our clients, and be aware of the commercial aspect of the client's needs and expectations. You will be working on exciting and challenging schemes in all sectors, in the knowledge that as a team, we all provide support and encouragement.

Applicants will require:

- Corporate membership of the MCABE/MRICS or working towards this qualification.
- A focused and commercially aware approach.
- Be able to use their own initiative and think imaginatively in resolving issues.
- Excellent communication skills.

We can offer:-

- Competitive Salary commensurate with experience and qualifications.
- Car allowance scheme
- Professional fees paid
- Company Pension scheme
- Company Bonus Scheme
- Company commitment to CPD and training requirements

If you feel this is an excellent opportunity for you, please email your CV to Andy Graham (Director) at agraham@aligngroup.co.uk or call 07436545380, for an informal discussion with one of our Directors.
